Welcome families to Camp Waldemar. We are located in Hunt, TX on the banks of the beautiful Guadalupe River. In 1926, Ora Johnson sought to build an institution that would focus on the growth of young women. Our mission is to provide a wholesome and fun atmosphere, by combining a unique and valuable experience where each person can grow spiritually, mentally, and physically in becoming their finest self. We are always looking forward to meeting new faces and welcoming our returning families. To schedule a tour, feel free to call us at (830) 238-4821.
Our summer season consists of 3 terms. Our Short Term, which typically begins the last week of May, is a 6 day/5 night session for girls ages 7 to 10. Campers will follow a daily schedule with activities ranging from horseback riding to ceramics. 2nd and 3rd graders form the Jackrabbit division while the 4th and 5th graders are in the Coyote division. Each division offers classes according to their grades.

The two 4-week programs (1st and 2nd Term) are for girls going into 4th through 11th grade. First year campers participate in a special tribal drawing ceremony on arrival day. There, they will draw to become part of the either the Aztec, Comanche, or Tejas tribe. The tribes compete in two field days during the term. Classes run on MWF and TTS schedule. An evening even calendar will consist of dances, outdoor movies, tribal hills, and carnival. On Sundays, there is a non-denominational church service for all camp to attend. At the end of the term, the highly anticipated Plaque Award goes to the tribe who has earned the most points.

This is my creed: To live each day as though I may never see the morrow come; to be strict with myself, but patient and lenient with others; to give the advantage, but never ask for it; to be kind to all, but kinder to the less fortunate; to respect all honest employment; to remember always that my life is made easier and better by the service of others, and to be grateful.

To be tolerant and never arrogant; to treat all men with equal courtesy; to be true to my own in all things; to make as much as I can of my strength and day’s opportunity; and to meet disappointment without resentment.

To be friendly and helpful whenever possible; to do without display of temper or bitterness, all that fair conduct demands; to keep my money free from cunning or the shame of a hard bargain; to govern my actions so that I may fear neither reproach nor words of malice or envy; and to maintain, at whatever temporary cost, my own self-respect.

This is my creed and my philosophy. I have failed it often and shall fail it many times again; but by these teachings I have lived to the best of my ability; laughed often, love, suffered, grieved, found consolation and have prospered. By friendships I have been enriched and the home I have built has been happy.
