WELCOME

Waldemar has been respected as a fine girls' camp since 1926 when it was established by Ora Johnson. We are proud that the Waldemar experience has “stood the test of time” and continues to evolve in response to the changing needs in today’s youth, and at the same time, assuring its strong traditions and commitment to excellence. Our mission, “to provide a wholesome and fun atmosphere, where each girl can grow spiritually, mentally and physically in becoming her finest self,” is reflected in the quality and enthusiasm of our summer staff, the dedication and devotion of all our staff.

By providing you with this informative booklet it is our hope that you will take the time to study its contents and share pertinent information with your daughter. We look forward to the upcoming summer and anticipate another fun-filled, rewarding Waldemar experience for all.

We suggest you pay close attention to the information about Leaving Camp (pg.7) and to Camp Closing (pg. 12), so there is no misunderstanding about penalties to their tribe.

WALDEMAR CREED

This is my Creed-

To live each day as though I may never see the morrow come; to be strict with myself, but patient and lenient with others; to give the advantage, but never ask for it; to be kind to all, but kinder to the less fortunate; to respect all honest employment; to remember always that my life is made easier and better by the service of others, and to be grateful.

To be tolerant and never arrogant; to treat all with equal courtesy; to be true to my own in all things; to make as much as I can of my strength and the day's opportunity; and to meet disappointment without resentment.

To be friendly and helpful whenever possible; to do without display of temper or bitterness all that fair conduct demands; and to keep my money free from cunning or the shame of a hard bargain; to govern my actions so that I may fear neither reproach nor misunderstanding, nor words of malice or envy and to maintain, at whatever temporary cost, my own self respect.

This is my creed and my philosophy. I have failed it often and shall fail it many times again; but by these teachings I have lived to the best of my ability; laughed often, loved, suffered, grieved, found consolation and have prospered. By friendships I have been enriched, and the home I have built has been happy.

AZTEC TRIBAL SONG

Hail to our Aztec Tribe.

Stand by it always.

We'll always push you onto victory ever.

You're backed by the finest camp,
cheered by the campers.

We will always fight for dear old Aztec
Tribe

COMANCHE TRIBAL SONG

To the Comanche Tribe, we pledge our
hearts, forever to be true.

For everything you stand for; It's orange
and white to you.

The friends we made while camping here,
will last our whole lives through.

To the Comanches and Waldemar,
we pledge ourselves to you.

TEJAS TRIBAL SONG

Tejas forever!

We'll firm together stand.

Comrades true and faithful, steadily we'll
face the world, and fearlessly, and through
the days that follow we'll pledge our loyalty.

For the purple Tejas with all our might,
we'll fight for victory.

WALDEMAR HONOR CODE

A very important part of Waldemar's success is the pledge we all make to uphold the Waldemar Honor Code.

- Positive Participation - abiding by the rules and respecting the traditions of Waldemar. Penalty at the discretion of the Director. The consequences can be from a permanent minus on her record card to being dismissed. Attitude is your choice.
- Food - no food, drinks, candy or gum possessed or eaten except as served by Waldemar. Penalty: Loss of 1/4 points.
- Electronics - possession of those prohibited by Waldemar. Penalty: Loss of 1/4 points.
- Smoking and Vaping - smoking or possession of tobacco products, i.e. cigarettes, juuls . Penalty: Loss of all points and camper is sent home.
- Alcohol or drugs - use or possession of drugs or alcohol. Penalty: Loss of all points and camper is sent home and authorities notified.
- Waldemar promotes a wholesome atmosphere for campers. Tattoos and piercings, other than earlobes, are unacceptable.

Waldemar has the right to search personal content at any time. Breaking the honor code may lead to loss of points on a camper's record card, loss of her All-Star, loss of office, privileges in war canoe and possible dismissal from camp.

UNPLUGGED

Enjoying the experience of Waldemar means spending time with friends, staying involved in all that camp has to offer, unplugging from the world.

Campers are allowed to bring electronics that do not connect to the Internet. Remember plugs are limited; so minimize your chargeable items.

Unacceptable, anything with internet capabilities including: *Phones, smart watches, iPads, tablets, iPod touch, portable game devices (Nintendo, Play Station, etc), digital cameras, iPods/mp3 players with photo/video/or slideshow capabilities, portable DVD players or laptops.*

Acceptable: *iPod shuffle, iPod Nano (7th or 8th generation) and mp3 players. Even though E-Readers are allowed (without internet capabilities), we encourage good ole' fashioned paperback books. If your camper is an avid reader and needs more books during the term, contact George Anne to receive and store books for your camper.*

If you are unsure about what to bring or not, please contact the office.

Let's start a new streak. . .grab your paperback book, throw on your analog watch, focus your disposable/Polaroid camera and leave your valuables at home!

LETTERS, EMAILS AND PACKAGES

Campers love to get mail and it is important that letters be written to promote happiness. All campers are required to send at least one letter home. You should receive some mail from her while she is at camp. If you do not, please notify her counselor or the director. The small Hunt Post Office does not adjust overnight to the heavy summer traffic, so at the beginning of camp the mail may be very slow. Campers can receive any number of letters.

The only mailed packages allowed will be birthday package and a first year camper package with the designated sticker.

All campers may receive only one pre-ordered package from the Camp Store. Please inform families and friends of this policy.

In addition to letters, we invite parents and grandparents to purchase email credits to send emails to campers. (More information on how to do this will be sent in spring mailings.)

We work with Waldo Photos, a facial recognition service, that now provides an option for parents to purchase a Waldogram for campers to receive at camp. For more information, check our resource page.

Please note, we do filter emails for G-rated language and content. Those deemed inappropriate or containing foul language are “reviewed” and will be charged to the sender and will NOT be delivered to the campers.

Inappropriate emails will be sent home to parents.

Because the majority of emails we have received in years past that do not support our mission and G-rated environment are sent by campers sibilings, friends, boyfriends and peers, we ask that ONLY parents, grandparents, and aunts be given the email system access code.

FOOD FROM HOME

In addition to three daily meals, we furnish mid-morning and mid-afternoon nourishment. Therefore, we don’t allow campers to receive food from home. If a girl receives a letter with food, candy or gum and it is inadvertently delivered to her, she might yield to the temptation to break the Honor Code which could be very embarrassing and costly to her tribe and record card points. Please relay this information to relatives and friends. Be advised that should food, candy, gum or bottled water be sent, we will not be able to save it for the camper. Our baker will prepare cakes for those who have birthdays during camp.

LEAVING CAMP

Due to the nature of our four week program we highly discourage any camper from missing any time at camp. That said we do not allow visitors from campers during the camp term. Waldemar campers do not leave the camp grounds except for camp sponsored trips. This means that parents do not take campers out of camp when they are here for the closing activities. Campers earn points for days in camp which contribute to earning their All-Star medal and tribal plaque points. Choosing to leave camp before the conclusion of the Final Program will result in loss of her All-Star. Leaving is up to the discretion of the directors.

Any camper missing* more than:

- 3 days (72 hours) of camp will not be eligible for tribal office and possible war canoe
- 4 days (96 hours) she will not have earned her All-Star and her record card points.
- A week (168 hours) she would not be eligible to come to camp.

*If your daughter must miss anytime at camp, it is imperative that you send us something in writing to Robin and George Anne BEFORE her camp term arrival, advising us of the dates that she will be gone.

WITHDRAWALS/DISMISSAL

The camp reserves the right to dismiss any girl considered detrimental to the camp welfare. Campers and families are expected to support all camp policies. Campers should abide by the Honor Code. Any girl unwilling to cooperate with this code should not attend.

Voluntary or involuntary withdrawal because of homesickness or any other basis does not justify a refund of any fees.

- No cheeks please!-

This is a minimum of clothing. All clothing and equipment must be marked permanently with names. The number of outfits a child needs will depend on how well she is able to manage her clothes. About half the wardrobe will be tied up in the laundry each week. Everyone wears whites on Sundays and Thursdays. Shorts and shirts in tribal colors are customary for Field Days, Pep Rallies and other Tribal gatherings or meetings. Parents of new campers should avoid getting articles in orange, green or purple until you know your daughter's tribe. Parents may view the tribal drawings results on Camp InTouch the first night of camp. The only need for a dress at camp would be the Stewart Dance, however nice shorts or pants are appropriate also.

If you contemplate sending any electrical appliances you need to know that there is no electricity in the kampongs except early in the morning and before bedtime. Do not send expensive jewelry or cosmetics, etc. Camp is not responsible for loss of such items. If you insist on bringing your own bow or rifle, please be aware they can have no special equipment attached while competing on Field Days.

Pack in a trunk which will go under her bunk, it cannot be over 15" tall. Please have your child's name written prominently on the outside of the trunk lid. The trunks need the latches to be screwed and we suggest zip ties and NOT padlocks. Waldemar is not responsible for damage to trunk either in transit or at camp. Kangaroo Cases makes fabulous, durable products. We highly recommend!

Waldemar promotes a wholesome atmosphere for campers. Tattoos and piercings, other than earlobes, are unacceptable.

BAGGAGE

All baggage, including duffel and trunk, can be transported on the bus; however, due to limited space on the buses and in kampongs, please abide by the following specifications. Trunks should not be over 15" tall. It is mandatory to utilize the Waldemar duffel along with the appropriate sized trunk. Carry-on luggage is limited to a small tote. Upon arrival, campers often cannot identify their own baggage. Help us by:

1. Acquainting your daughter with the appearance of her baggage, and the number of pieces she is bringing.
2. Having her full name painted on the outside of the trunk lid and attaching a luggage tag that clearly has her name on the XL black duffel. They all look the same!
3. Using bag tags provided to you. Contact the office if yours are not in this mailing.
4. Removing any old tags and names from all pieces.

If you are planning to ship your daughter's trunk/duffel home, you must make prior arrangements, with UPS or FED EX. Please see below.

SHIPPING MY CAMPER'S TRUNK

Trunks may be sent on the bus or they may be shipped to Camp Waldemar the week before camp begins. Campers riding the San Antonio airport bus must ship their luggage to camp one week prior to arrival. The address for shipping is:

Camper Name
Camp Waldemar
1005 FM 1340
Hunt, TX 78024

Waldemar is fortunate to have men deliver your luggage to your kampongs. For long term, we will deliver a trunk and large duffel (the XL gear bag provided to you the first year of camp.)

If you want to ship trunks and duffel home, you must complete the shipping information with UPS or FED EX and bring the shipping label with you at the end of camp.

TRANSPORTATION

All campers will travel to camp with a chaperone by chartered bus, or by plane to the San Antonio Airport and then to camp by chartered bus. Bus information and baggage tags are included in the spring mailing.

Travel Days:

1st Term: Friday, June 5th

2nd Term: Friday, July 10th

LAUNDRY

The laundry is picked up by a commercial laundry service each Monday and is returned on Thursday or vice versa. Each piece of clothing must be marked in a conspicuous place with the child's full name. (On shirts at the neck; on pants and shorts in the waistband; on flat pieces in a corner.) Printed names should be put on any clothing you bring or send to camp. This is very important! Please put your daughter's first and last name on the outside of her laundry bag. In case of loss, all marked items can be easily identified and returned. Mark everything! Including tennis rackets, helmets, etc. Waldemar will not be responsible for damage or loss, therefore, please do not send expensive or delicate clothing.

MEDICAL SERVICES

Camp Waldemar provides the following safe-guards for the camper's health:

1. Camp-partnered pediatricians in Kerrville
2. 2 Camp RNs in residence 24/7
3. 1-2 Nurse Assistants in residence 24/7
4. Transportation to doctor's appointments, Urgent Care, and the ER, if/when needed.

About our Waldemar Nursing Staff: we are very pleased to share that our camp nurses are highly qualified Registered Nurses. 95% of our nursing staff has a BSN in addition to being a RN, and 100% of our staff has at least 3 yrs+ working solely with the pediatric population. When not at Camp, all of our nurses work as full-time RNs providing care to children in both out-patient as well as in-patient settings.

Lice continues to be an on-going problem in the camping industry. Therefore, to do our part to help protect against the spread of lice at camp we have partnered with a company, Lice Clinics of America, that specializes in the discovery and treatment of lice. Their team will be responsible for checking each individual that comes to camp this summer, this includes campers and staff. If lice are detected, you will be contacted for verbal approval for the treatment which costs \$250.00 per child. There will be more information in the coming months regarding the specifics of this process, however, we are pleased to inform you that we will be able to once again offer two options:

1. A camper can have a "pre-check" in some of the larger Texas cities, by going to one of the pre-approved locations within the required time frame. The price of a pre-check is \$25.00 per child. This has been a well-received "perk" for the girls to skip the lines at camp in order to get to their kampongs quicker.

2. ON-campus lice check

There will be MORE INFORMATION on THE LOCATIONS SITES and DATES in a separate mailer closer to the start of the camp season

MEDICATIONS

Please note, we are transitioning to a completely electronic system this summer and we will no longer be sending/receiving paper forms for medication administration. If your child has a medication that she is to take daily you must enter all medication information, including administration details, in the health history form under the 'Medications' tab. If a medication is sent to camp without it being on the camper's health history form with all required information provided, it will not be checked-in nor administered. At our convenience we will contact you to discuss the medication and assist you in entering the information online, however, it will not be administered by camp RNs until the online requirements have been completed. *Of note: if your child takes medication to assist her with control of ADD/ADHD we ask that if at all possible you plan to continue the medication while she is at camp. We ask this due to the busy schedule all our campers enjoy. This schedule, while fun-filled, requires attention, the need to stay on-task, and the ability to focus. If you would like to discuss this subject further, please feel free to reach out to our office.

If your child will need to take an over-the-counter (OTC) medication daily while at camp (i.e. Zyrtec, melatonin, Miralax, etc.) you will be required to send a full supply of the medication with her to camp. For example, if she needs to take on Zyrtec daily, we ask that you send a bottle of 30. If your daughter will only need Zyrtec when/if she has problems with her allergies and not on a daily basis we will provide the Zyrtec and she will not need to bring a bottle with her to camp. (Continued on page 12)

MEDICATIONS (CONTINUED)

If you are planning to send medication for your daughter to take on an 'as needed basis' you will need to enter the medication information, including administration details, in health history under 'Medications'. We would also like to advise that we will no longer be accepting 'as needed' medication for campers IF it is a medication that we keep stocked in the health lodge (i.e. ibuprofen, tylenol, zyrtec, miralax, etc.). We will be providing a list of all medications that will be stocked for the 2020 season, and we ask that you do not send those medications. Please be aware, if any of the medications that we stock are sent with a camper to be given on an 'as-needed basis', they will be mailed back to the camper's home address at the expense of the parent. This decision will be effective for the entire 2020 camp season.

Waldemar takes pride in serving well-balanced, nutritious, and truly delicious meals. For this reason, we ask that you not send vitamins with your daughter to camp. The only exception being if your daughter has prescribed/instructed by a medical professional to take vitamins for a medical illness/ailment. Please be aware if vitamins are sent without a prescribing physician listed on the Medication section of the health history form they will be mailed back to the camper's home address at the expense of the parent.

HEALTH REPORTS

Health forms (healthy history, parent authorization, and physician's exam) must be completed and submitted through Camp InTouch by April 1st for Short and First Term and by May 1st for Second Term. Please be aware, these dates are firm and if your child's forms will not be completed and uploaded by those dates, you will need to notify the camp office prior to the due dates. Please note- for safety and liability reasons your child will not be allowed to board the bus to camp if all required health forms have not been completed and received.

For the physician's exam form- we require that child be examined by a health care provider within 1 calendar year of her arrival at camp.

For example, if she arrives at camp on May 28th, 2020, she must have been examined and deemed healthy for camp on or after May 29th, 2019. If you have any questions about this policy please feel free to reach out to our office for further details.

For the parent authorization form- the form must be signed and dated (the date must be after 1/1/2020, a form from a previous year will be accepted) prior to submitting the form to Camp InTouch. If the signature or date are missing the form will be rejected and must be edited prior to re-submitting.

For the healthy history form- we ask that you completely and honestly fill out your child's health history. We understand that some sections may seem intrusive, however all information provided is treated with the utmost respect and protected by Federal Law (i.e. HIPPA). Health and social information provided will only be shared with staff that have a necessity to know in order to help ensure safety for the child. However, we are not able to do this if we are not aware of illnesses, diagnoses, injuries, or certain situations.

If your daughter has ever been diagnosed, or treated for, depression, anxiety, self-mutilation (cutting), bipolar, suicidal thoughts, or any other psychological conditions, we ask that you call and speak with the director upon receipt of this mailing. We feel it is vital to also say that if an incident occurs while the child is at camp that includes suicidal thoughts, words, or actions the child will be sent home at the discretion of the camp director.

If your daughter is dependent on glasses, please send at least 2 pair. For our younger campers please send the spare pair of glasses to the health lodge. We will keep them safe and available for use if the need arises. If your daughter requires contacts, please send extra, whether she changes contacts daily, weekly, or monthly please plan for at least a few pairs of contacts not lasting their intended time period. If your daughter will be wearing braces while at camp- be prepared for broken brackets and loose wires. We are partnered with multiple orthodontists in the Kerrville area, and with parent approval, we will send campers to these orthodontists' offices for repairs when needed. If your daughter wears a retainer she must be responsible to keep up with it. Camp will not be responsible if it is lost or accidentally thrown in the trash while at camp.

CAMP CLOSING INFORMATION

CAMP CLOSING FOR 2020

It seems as if camp closing comes very quickly. Here are some tips and policies:

LODGING

We recommend you make your lodging reservations early! You may refer to the Kerrville Chamber of Commerce website for an extensive list of places to stay. Check out VRBO and Airbnb for rentals in the Hunt/Ingram area.

COMFORT AND SAFETY

For your comfort and safety, we urge you to wear comfortable clothing and walking shoes as the path to Tribal Hill and your daughter's kampong may be uneven and rocky.

PERSONAL GOLF CARTS

We will have golf cart and mule shuttles available through closing weekend events. However, golf carts other than those used by staff are not permitted without permission from Marsha Elmore. There are no rides to Tribal Hill.

WATERFRONT

Our dam and waterfront areas are for campers and staff use only. Any other use must be authorized by camp administration. There are no lifeguards on duty.

NO KAMPONG OR TRIBAL GIFTS

Near the end of camp, your daughter may write you urging you to send or bring kampong gifts or t-shirts. Please refrain from such gifts! This includes gifts for the entire tribe, such as Pep Rallies. We would like spirit tags, etc. to be made and distributed by the campers.
